

Hillside Primary School 2015

Dear Parents/Guardians,

With winter behind us and the evenings getting lighter we are all looking forward to some lovely spring weather.

Last term finished with our most successful promotion to date, "Food from around the world" saw the pupils get a taste of China, Italy, Mexico, America and England, the Canteen team worked really hard, decorating the canteen every day with flags, bunting and balloons, nearly all the children who had lunch tried something a bit different from their usual choice and the feedback was fantastic. We always change a meal if one of our customers doesn't like it so this was a great opportunity to sample something new. Every day we held a raffle and six lucky pupils are whizzing around this Easter Holidays on brand new scooters! Well done to everyone who took part.

Did You Know?

Since Christmas we have served over 12,500 delicious hot lunches to Hillside students, that is a lot of potato peeling, carrot chopping, melon balling, pasta boiling, and pizza topping, is your child missing out? There are still a few pupils in reception and years 1 and 2 who are not taking up their entitlement of free meals, remember apart from the main meal on this menu we always offer a pasta dish, jacket potato or sandwich selection so there is something for even the most discerning palate. Let us save you time and money and give the canteen a try.

Packed Lunch

Please remember now the weather is warmer if your child would prefer a packed lunch we can always provide this, including a freshly made sandwich, orange juice, fruit and flapjack for just £2.10, just contact Donna Dear on 01689 824652 who will be happy to help you.

Costs

The majority of pupils at Hillside are now choosing School Meals, if you would like your child to try the service you only need to commit for one week, the cost is still only £2.10 per day which can be paid weekly or half termly, you can rest assured your child will enjoy a hot, healthy and nutritious lunch, please remember the menu only shows the minimum on offer every day, our skilled Chefs often add daily seasonal specials and we will make sure that every child enjoys their meal, we will always replace a meal if a child takes it and doesn't like it. No child will leave the canteen hungry!
